The applicants amend no claims.

The application remains with claims 1-23 after entering this amendment.

English Translation

As stated in the Amendment After Final Rejection filed April 17, 2006, the applicants submit here an English translation of the Korean priority document and a corresponding translation certification to perfect priority under MPEP § 706.02(b)(E). The effective date of the present application will therefore be January 20, 2003, prior to Kim's U.S. filing date of June 3, 2003. Kim, therefore, is not prior art to the present application under § 102(e).

The applicants request the examiner allow claims 1 and 9 after reviewing the English translation of the Korean priority document.

Conclusion

The applicants request reconsideration and allowance of all claims. The applicants encourage examiner Pham to telephone the undersigned at (503) 222-3613 if it appears that an interview would be helpful in advancing the case.
